Dr. J. B. Johnson, Superintendent of Schools

An education is an investment for the future.

The time, work, and money spent for your high school education will prepare you for business, industry, or college.

The work habits which you develop in school probably will govern your activities after graduation.

The attitude you develop toward the world around you will influence your cooperation with others and your interest in the social, political, economic, and cultural life of the community in which you live.

The friends you choose and your respect for the dignity of others undoubtedly will have an influence on your success and happiness.

During the twelve or thirteen years you attend the public schools, you are molding your character and personality traits.

The achievement you make in the academic, vocational, and co-curricular activities will help you to advance during the post-adolescent years.

The time you spend studying is time well spent. The time you waste will be lost forever.

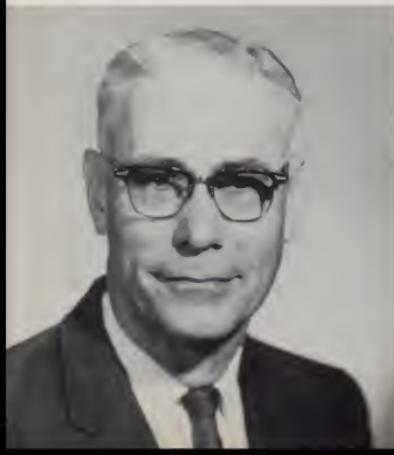

Mr. E. M. Leamon, Assistant Superintendent

We are living in a world in which the status of a democratic way of life is being challenged. Therefore it becomes the duty of each citizen of a democracy to take advantage offered through public education for each to develop his ability to think, speak and write critically and accurately.

Mr. Macy Pruitt, Administrative Assistant in charge of Junior and Senior High School Curriculum

An ancient philosopher bequeathed to his children the following proverb, which he said would be worth more to them than silver and gold: "Knowledge is puffed up because she knows so much; wisdom is humble because she knows so little."

Mr. C. R. Wright, Administrative Assistant in charge of Vocational Education

We can set no bounds upon the applications of technical knowledge, nor upon the limits of human skill. Our country will gain in wealth and knowledge in proportion as these factors are developed and applied.

"She said she put the coffee in here somewhere!"

Dedication

The sun gently warms the enchanted island of Hawaii. Majestic mountains guard the land and soaring palm trees wave overhead. The ocean waters rush in to meet the vast sandy shores. The shrill cries of the colorful birds can be heard above the crashing surf.

Hawaii is a pleasure land, which beckons to travelers. We admire its beautiful scenery and its many opportunities for recreation.

We are proud of this industrious nation and proud that it is a part of our own great United States. In this island paradise we see prosperous people engaged in successful business. We see the useful products of toil and the triumph of success.

Truly, Hawaii inspires our dreams and encourages us on to worthwhile goals. To Hawaii, island paradise, we, the students of Alton Senior High School, dedicate our 1962 Tatler.

OUR SENIOR RING

One of the most important events of the climax of the senior year for students is receiving his class ring. The history of the class ring at Alton Senior High School is especially fascinating. It was designed eight years ago by a committee of students and faculty members. On one side of the ring is an impression of the front of the main building; on the other is our well-known Redbird. These features make it a ring which is of lasting value to only an Alton High graduate. Under the impression of the main building is the number 19 resting on an open Book of Learning; the number 62 is likewise under the Redbird and is also resting on an open book. Below these numbers are chevrons which are symbolic of strength. The laurel leaves which lie behind the main building represent achievement. The center is either a ruby which denotes the school color or an all gold top with a block letter "A". Around the center of the ring is Alton High School spelled out in raised gold letters. On each side of "Alton" a star rests which is symbolic of aim and aspiration. Almost all students order their rings in the spring of their junior year; so that they will have the pleasure of wearing it during their complete senior year.

"And ~~this~~ half used Brand X."

"And I thought all bugs were either insects, spiders, or things that flew."

"Don't take my picture! My hair isn't . . ."

"As I live and breathe, the Three Stooges!!"

*The seniors trooped in eagerly
to see their proofs, and then . . .*

"Oh, ga-a-a-d! Is that me?"

"Ain't We Got Fun?"

"I plan to get busy any minute now."

"Oh, well, boys will be boys."

"It only hurts when I laugh."

Before . . .

"Our Leader"

"And if it fits, it's yours."

. . . After

"Hey, look! There's some nut with a camera!"

"All right, who's not pushing?"

"So my dad says, 'You call this snow? Why, when I was a kid . . .'"

"Hey, see that building way over there? Is that the Annex or the Olin?"

"A White Christmas only 3 weeks late—or was it 352 days early?"

"I wonder where everybody is?"

"Now, if I can only make it to that bare spot without falling."

"Smile, Mister—you're on Candid Camera!"

"Well, there's one ant that'll never bother me again."

Now, what do you suppose he's doing?

Heads up!

"My contact! I lost my contact! Don't anybody move till it's found!"

"Such foolishness will not be tolerated!"

"O.K., O.K., I'll buy a Tatler."

"Is it time to go home yet?"

Serves you right, only a numbskull would stick his thumb with a compass.

"Then you place the key in and turn . . . now comes the hard part."

"Come in Captain Video, Earth calling Captain Video."

"Sure, you just put a seed in, cover it, and forget it . . . You don't?"

"You ain't heard nothin' yet!"

"Oh, but Sir!"

"Hey! You in the corner! Pay attention!"

"With my eyes wide open, I'm dreaming."

"100 words a minute—no typewriter."

"Sewing Circle—keeps each other in stitches."

"Kind of gets you right here, doesn't it?"

"This 'adequate lighting' business is going too far."

"A warm fire sure is a comfort on a cold night."

"Be careful around all that machinery. One false move and you'll be torn limb from tree."

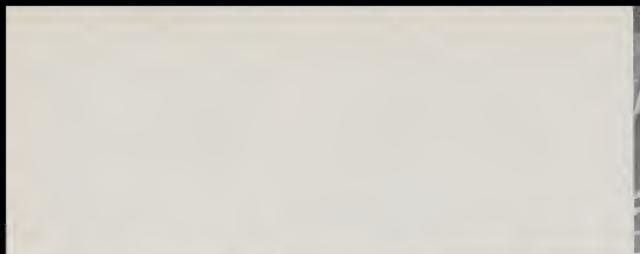

"Are you sure Jackie Kennedy started this way?"

"Pest . . . there goes the girls' gym class again."

"At this rate I'll be lucky to get to "Z" by next summer."

"The Commercial Art darkroom—when you turn out the lights, you never know what will develop."

"Just what I always wanted, a steam engine typewriter!"

"In the old days, a woman's face was her fortune; now it's the beauty parlor's!"

"Good grief! That guy's gonna take our picture!"

"Oh, my stomach muscles!!"

"What makes you think I yell at the boys?"

"All right, get ready . . . Up!!"

"By George! I think we've made a goal!"

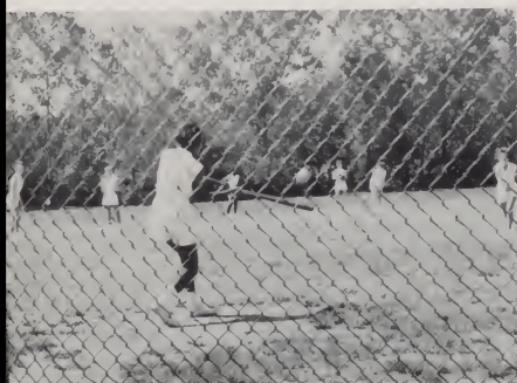

"Really, I think the game is too, too amusing."

"And as the sun slowly sets in the west, the members of the P.E. classes wind their weary (?) way to the showers."

What form . . . the batter's, that is.

It might be . . . it could be . . . it is—a strike.

they're taking
our picture!"

"A class of like-minded and congenial friends."

Knife . . . ~~Knives~~ . . . paste . . . Paste?!!? What kind of an operation is this???

You'd laugh too if someone were tickling your beard!!

Hey! Where is every's body?

Don't step on it, he
might be Lon Chaney!

Sometimes I think the only way I'll get out of here is to burn the school.

Now, take it easy . . . I'll give you the "A".

Varsity Cheerleaders

Melinda Seymour, Pat Arnold, Penny Boedeker—Capt., Karen Mink, Pat Young

Alton High has had the good fortune of having more than its share of very capable cheerleaders. This past year had been no exception. Our '62 cheerleaders have done an outstanding job in creating new and clever cheers which have inspired our teams and the many fans of Alton High.

The position of cheerleader is not to be taken lightly. These girls represent our school, therefore; they must have qualities of which we can be proud. These include scholarship, dependability, pep, poise, and a pleasant personality. Besides these important qualifications, our cheerleaders are chosen on their athletic ability to encourage school spirit. Cheerleader is a position of prestige, but it is also a job involving hard work. We, at Alton High, appreciate the effort and time which these girls have given.

S. B.

Junior Varsity Cheerleaders

Pam Gosenheider, Judy Buffington, Ann Skinner, Libby Pars, Sue Almonroeder.

Football

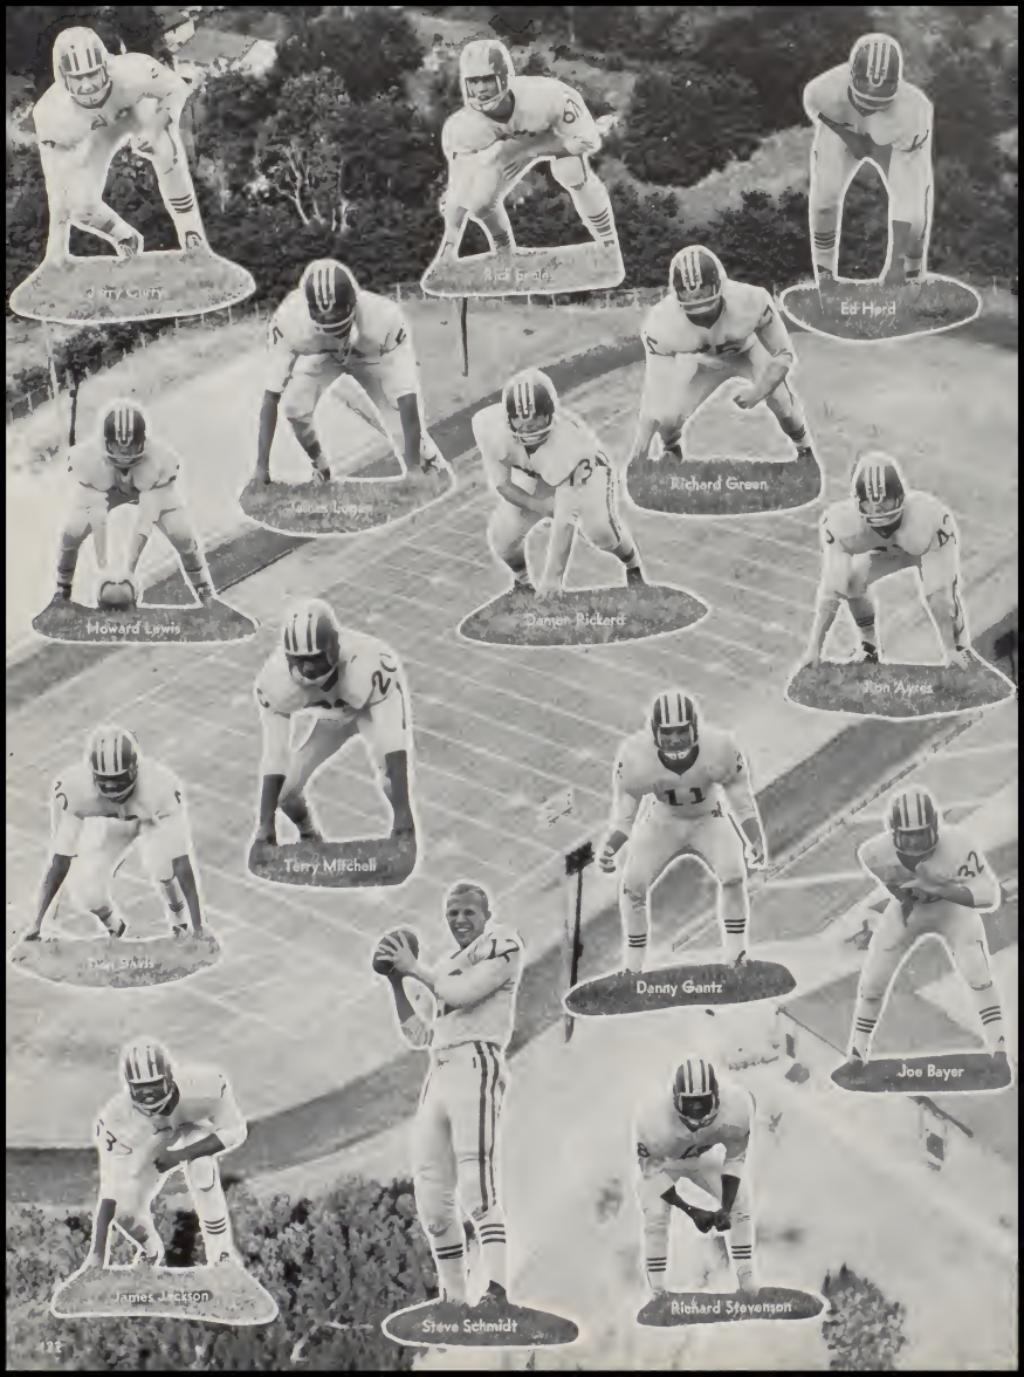

Alton 13; East St. Louis 0

The Flyers received the opening kickoff on their 10 yard line. They made it to their 24 when Redbird end, James Jackson, hit the East Side ball carrier and caused him to fumble. Jackson quickly recovered the ball for Alton. Five plays later quarterback, Steve Schmidt, pitched out to fullback, Don Davis, who went crashing over the goal line making the score 6-0 Alton's favor. Davis' kick added another point for the Birds making the score 7-0. Approximately three minutes of the game had gone by. Davis again kicked off to the stunned Flyers. This time East Side made it to their own 22 yard line. However, on East Side's first running play linebacker, Richard Stevenson, hit the Flyers' right halfback forcing him to fumble the pigskin. Stevenson hurriedly recovered the ball giving it to Alton. The Birds steadily worked the ball toward the opponent's goal. Left halfback, Terry Mitchell, did the trick as he plowed through the East Side line for the second touchdown. The score now stood at 13-0 Alton's favor with six minutes of the game having elapsed. East Side didn't have the recuperative power to make a comeback during the third and fourth quarters, and the determined Redbirds whipped the amazed Flyers 13 to 0.

Congratulations to the Redbirds and Coaches McClain and Will for a truly outstanding game.

As the leaves of autumn began to fall, the loyal Alton High fans headed for the attic in search of the old dusty trunk containing their raccoon coats and red and gray pom-poms. The thrill and excitement of football was once again in the air. Inspite of all this enthusiasm, the Redbirds found their first game a tough one as they fell to the Billikens of St. Louis University High 19-13. But as everybody knows, you can't keep a good Redbird down; and Alton proved it the next game as they rolled over their cross-town rival, Marquette 26-6. Now the Redbirds had the ball rolling; but the question was could they keep it rolling with what was to face them next. As September 29 arrived, the Redbirds found themselves up against the seemingly unconquerable East St. Louis Flyers. But finally the law of averages caught up with East Side, and the jinx was up. A decided under-dog, the mighty Redbirds dug in and when it was all over, came out on top 13-0 for the first time since October 21, 1938. Now that the impossible had been done, the Redbirds thought they were ready for anything. However, they found out different as they met up with the rough-going Granite City team and were forced to call it a 12-12 tie. The boys picked themselves up and tore into the hard-hitting 1960 Missouri State Champions as they downed Parkview of Springfield 13-0. Next on the menu for the Birds were the Edwardsville Tigers. Edwardsville had a rugged ball team but not rugged enough for Alton as we walked over the Tigers 31-13. If the Redbirds could clinch their next game with the Belleville Maroons, they would have the Southwestern Conference title within grasp. However, Fate found different plans for the Birds on October 27 as they fell to the Marrons 25-0. The Redbirds once again pulled themselves out of the gutter as they came back to hand the Collinsville Kahoks a crashing defeat in 35 degree weather with a score of 43-6. The Redbirds' last game was a tough one as they came out with a 7-0 victory over Woodriver.

Five Alton players made the 1961 All-District Team. They are Howard Lewis—guard, Richard Green—tackle, James Jackson—end, Terry Mitchell—halfback, and Don Davis—fullback. Thank you, Redbirds, for presenting Alton High with a truly splendid performance this year. We would also like to thank coaches McClain, Will, Johnson, Perrin, and Tanner for an excellent job of coaching the Redbirds. And now all you loyal Alton High fans can put your raccoon coats back in the old dusty trunk until the leaves of autumn begin to fall once more.

Cross-Country

1961

The mighty Alton High School 1961 Cross-Country team, with five veteran lettermen back, started off with a big boom Friday, September 22, in their first triangular meet of the year with Edwardsville and Belleville as John Trowbridge-led the Redbirds to a victory over both their opponents. The Birds kept up their good start with a win over Granite City on September 26. The Redbirds took the top four places in this meet. Next came the Alton-Western Military meet. Alton's Junior Varsity ran this meet against Western's Varsity, and came out on top with Alton—19; Western Military—40. On October 6, Alton took first place with 64 points in the 15 team Belleville Invitational. The next day, October 7, the Birds traveled to Peoria for the 4th Annual Peoria High School Invitational. The Birds finished second with only Champaign in front of Alton by 10 points. The Redbirds continued to prove their ability as they dominated the Beaumont High School cross-country meet with a total of 87 points. This was the Birds' third championship in the five year history of the Beaumont Invitational, which featured 215 runners and 29 teams. Alton's last meet was a dual meet with Wood River. However, the Oilers didn't prove much of a problem, and the Redbirds easily took the meet. Having won all dual and triangular meets as well as the Belleville and Beaumont Invitations, the Redbirds were now ready to face the conference meet. The Alton runners won the Southwestern Conference crown with a score of Alton—32, Edwardsville second with 39 points, and Collinsville third with 75 points. John Trowbridge took first place with a time of 9:51.1. Other Alton placements were George Hunt—third place, Bob Brown—fourth place, Leonard Perry—sixth place, Paul Tchoukaleff—twelfth place, and Steve Batchelor—thirteenth place. Having seized the conference crown, the Birds were eligible for the district title, which they also captured. This sent Alton to the Illinois State Meet. The Redbirds placed a highly respectable eighth place in the state meet with John Trowbridge placing seventh.

The Alton High 1961 Cross-Country lettermen are John Trowbridge, Paul Tchoukaleff, Steve Batchelor, Herschell Gil, George Hunt, Bob Brown, Leonard Perry, Darrell Groves, and George Frazier. Tom Cadwell and Steve Fielder received provisional letters.

The students express their congratulations to Coach Wigger for a magnificent job of coaching and the team for a splendid reputation and performance.

As the basketball season came in with the Christmas spirit again this year, the Alton High Redbirds found themselves with six varsity men returning. The Redbirds got a good start in their first game, December 1, in a triumph over Christian Brothers of Quincy 67-57. Following this victory, the Birds were the hosts of two home games. In the first clash the Redbirds barely skinned by Mt. Vernon 39-38. The second home game on December 8 proved even more of a disappointment as the Redbirds fell to the East Side Flyers in their first defeat 69-54. December 9 found the Birds in Decatur where they tangled with the Decatur team, but to no avail, as they left the court with a 61-55 loss. Having previously lost two consecutive games, the Redbirds thought it was time to turn over a new leaf. They did this as Edwardsville's guest on December 15 when Alton outplayed the Tigers and came up with a 65-55 victory. The Birds kept up their new trend with a 71-51 victory over Wood River. December 26 marked the beginning of the East St. Louis Tournament. The Redbird's first opponent was Lincoln of Venice. The Birds continued their winning streak as they trounced their first opponent 77-62. Alton now found itself face to face with the mighty Kahoks of Collinsville. However, the Kahoks didn't prove so mighty, and the Redbirds emerged the victors 61-53. Larry Shoemaker was the center of attraction in this contest as he set a new Alton High record of 43 points in one game. In the final and championship game of the tournament, the Birds and Madison fought a fierce battle. But Alton had to step down to a second place position as they fell to Madison. The Redbirds started out the new year wrong with a 74-61 loss as they met the Collinsville Kahoks again January 5.

Alton High would truly like to show their deep gratitude to the team, Head Coach Mel Sheets, and Assistant Coaches, Harold Mathews and Jim Tyree, for a superb presentation.

INDOOR TRACK AND FIELD EVENTS

The Redbird Indoor Track Squad has once again made an outstanding showing. In their first meet at Evanston the "Birds" captured first with 83 points. In the Oak Park Relays, the big meet of the season, they captured fourth. Last year Alton placed seventh in a field of 63. Now the Redbirds have improved to fourth in a field of 70. This feat verges on the miraculous considering that we have no indoor facilities. The final meet was a combined indoor and outdoor effort at East St. Louis. The "Birds", once more took first place honors.

The coaching that led to this record is of the finest possible. Our hats are off to: Mr. Will—sprinters and hurdlers; Mr. Perrin—field-men; and Mr. Wigger—distance.

OUTDOOR TRACK AND FIELD EVENTS

The Alton High track team made a fine showing this season despite heartbreaking setbacks in the try for state. The Redbirds scored impressively, winning 7 of 9 meets in which Alton men competed. Six of these wins were scored before we met a crushing defeat at the district meet. Numerous injuries prevented the team from winning this meet and from qualifying our various runners at state. John Trowbridge ran the 880 for Alton in state and placed sixth, just missing a point for Alton with his magnificent run. The "Birds" staged an amazing comeback at the Southwestern Conference meet by beating Eastside by one point in the most thrilling meet of the season. With legs wrapped in tape, our team showed their true capabilities. Our mile relay team ran over the famed Eastside team to capture the winning point and set a new meet record.

The greatness of Alton's individual trackmen is exemplified by speedster B. B. Gater's invitation to the nationally famous Memorial Track meet in honor of the deceased members of the football team of California Polytechnical College.

Golf

The Redbird golf team has once again teed-off to an outstanding series of victories and high-placement in the state tournament. Our team steadily knocked-off its opposition on the climb to the top. They captured the district tourney and moved on to take an extremely impressive ninth-place in State.

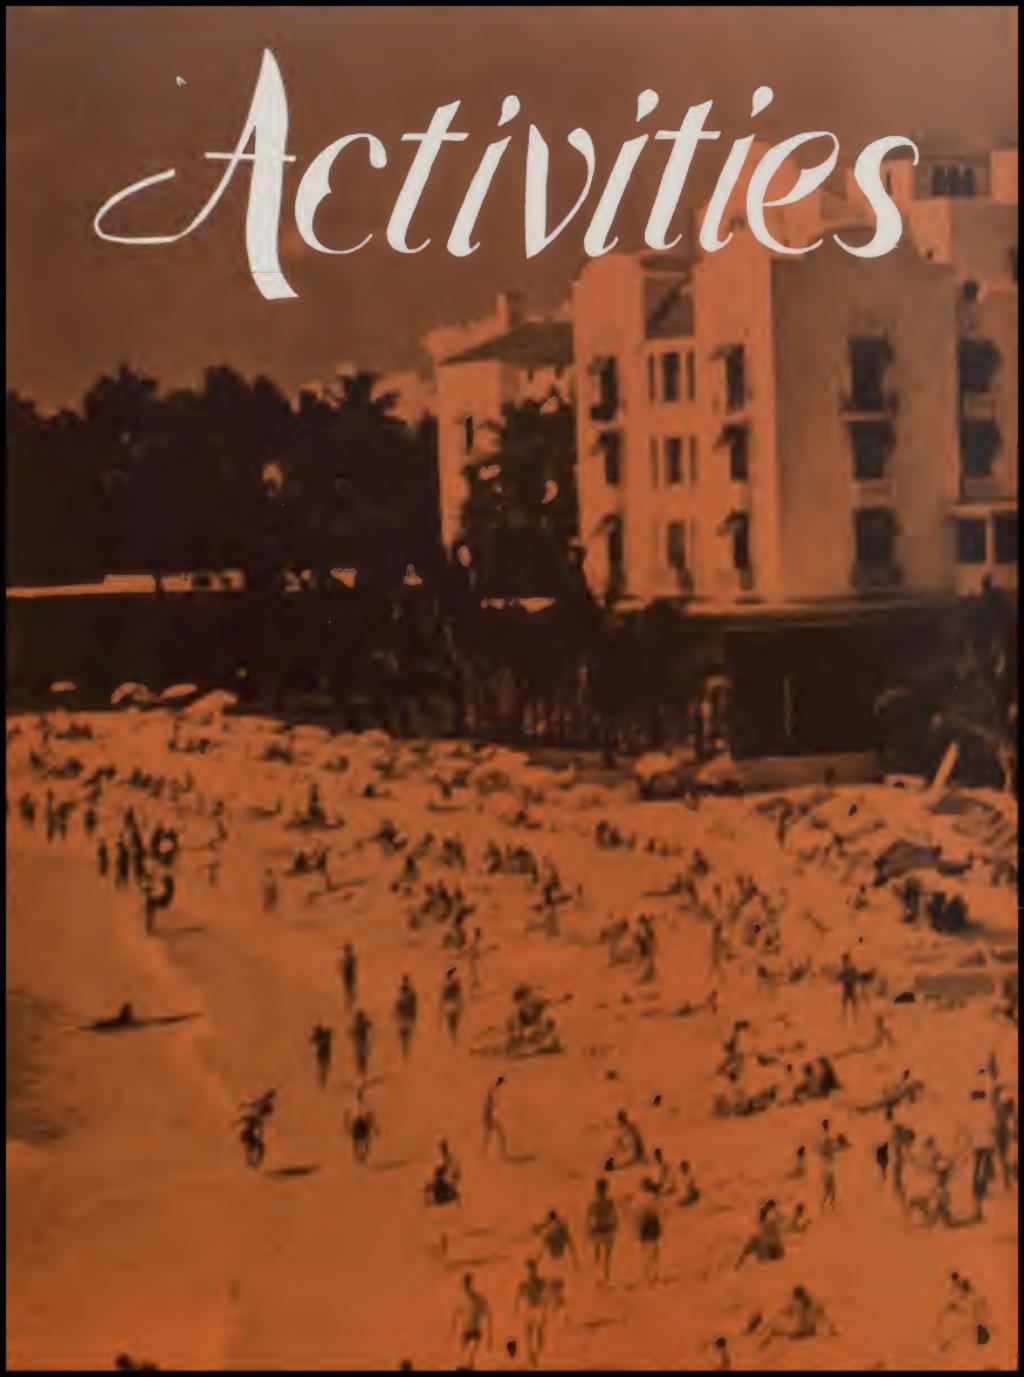

Varsity Golf Team—Row One: Mike Johnson, Tom Muehlman, Bob Goulding, Mike Mason, Bill McBride. Row Two: Tom Lambie, Hardy Weathers, Larry Ward, Jim Ingram, Jim Mulqueeny, Carl Fors.

Miss Sue Sheldon

Dream Girl of 1961

As the couples, donned in their festive formal wear, arrived and stepped onto the dance floor, the atmosphere of "My Blue Heaven" magically came to life.

At the far end of the room, beneath the glow of the spotlights, was a large mural picturing a silhouette of a boy and a girl walking hand-in-hand up the pathway to a vine-covered cottage.

Alternate strips of ice blue, snow white, and sapphire blue crepe paper had been gently draped to form the ceiling.

Tables covered with small white, cloths and decorated with stars of blue fluff sparkling with glitter lined the walls.

As the time for the coronation approached, a lump of excitement formed in my throat.

Soon the candidates and their escorts had gathered in a room to learn the lucky girl's identity.

A feeling of tenseness filled the room as we anxiously awaited the news.

When I heard my name, surprise and happiness overwhelmed me. My whole world spun crazily around me, and I was still in a daze when, in the final moments of excitement, Mr. Jurezic handed each of us a snow drift bouquet of shaggy mums and lined us up at the entrance.

Two by two the girls and their escorts were announced with a fanfare:

"Miss Jane Johnson escorted by Joe Stock."

"Miss Nancy Odell escorted by Jesse Cox."

"Miss Karen Mink escorted by Bill May."

"Miss Penny Boedecker escorted by Chuck Swartz."

"Miss Melinda Seymour escorted by Wendell McAfoos."

"Miss Twyla Bradshaw escorted by Bob Jones."

Then Steve Schmidt announced me, Sue Sheldon, as Dream Girl of 1961. Our class president, Wesley Bayles, escorted me to the throne and placed the crown upon my head.

As we waltzed out onto the floor, it was as if a dream had come true.

I shall never forget the thrill and excitement of that night.

"Does your apple pie have too much cheese?"

"Why, Sugar! Look at the pretty ring
on her finger!"

"Yes, my name is really Wisteria!"

"Lo and Behold"

"Now, don't you think that new dress makes her look like a fire engine?"

"Just because my mother was always drunk, that was no reason to fire her after only two days."

You Can't Take

"After all, Mother, you've been writing plays for eight years." "Yes, but you shouldn't count my first two years, because I was learning to type."

Due to the Teller Staff's error, we saved our Best till last.

Best, Dorothy

Students, Office Staff, Faculty, and Administration . . .

May we, the Alton Senior High Tatler Staff, borrow a few moments of your time to express our sincere appreciation—why not, we've borrowed everything else.

We have managed to wear a deep path from the commercial art room to every office, classroom, teacher, and counselor at Alton High and have received nothing but courtesy and co-operation from each.

The staff has found patience to be among the virtues of our school—and boy has the staff been trying on the virtues when it comes to our spot commercials. These have included such announcements as . . . Will the person who entirely neglected to include the senior class in the yearbook please report to the Tatler room at once!

Our thanks are also extended those students other than staff members who so willingly sacrificed many hours which, under normal circumstances, would have been spent taking tests. We sincerely hope they didn't flunk!

THANKS!

Thanks to Our Advertisers

For our advertisers and friends:

Again this year, we of the Tatler Staff wish to express our deepest appreciation for your willing and helpful cooperation in advertising in the 1962 Tatler.

While, to many people, the yearbook is only a collection of pictures of school events, to us of the staff it is something more—it is a responsible business enterprise. Needless to say, it costs very much to produce this book, but with your co-operation, we have been able to produce another yearbook which will pass through many hands, for many years, serving not only as a reminder of school, but will also indicate your name, which signifies your good will to the school and an invitation to everyone to patronize your establishment.

Again to our advertisers, "Thanks a million."

The 1962 Tatler Staff

WE'RE GOING WITH YOU

Whether you know it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in your life's work, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc., merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities, and resources of two of the country's most rapidly expanding industrial organizations.

We extend our best wishes to you. May the future bring you all you've hoped for and everything for which you have worked.

OLIN MATHIESON

now it's Pepsi-for those who think young

Today we get more out of life because we put more in—more activity, more lively, modern ideas. This is the life for Pepsi—light, bracing, clean-tasting Pepsi. In stores, at fountains, think young. Say "Pepsi, please!"

Good Luck
